2027 Membership Dues: What to Know

In September, the PMRA Board considered and approved a change to full member dues, effective January 1, 2027. Annual dues for full members will be $160, up $20 from $140. Student and retiree rates are not changing. The Membership and Finance Committees recommended the increase to help cover rising costs and support investments like the new shared conference platform. Renewal notices going out in late October will show the new rate. Also, over the next several weeks, you will notice updates to wording across the website as this change is implemented. Questions? We are happy to talk. Feel free to email us.
